

Le pingouin

Paroles et musique Marie Henchoz

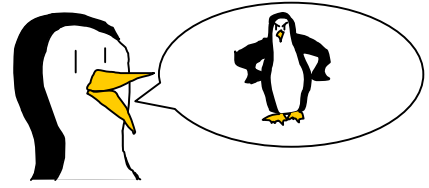

1

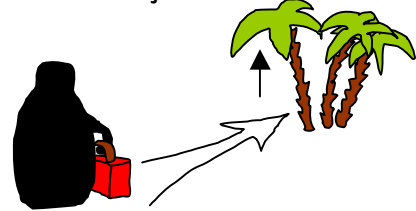

Un pingouin du Pôl' Nord

Un beau jour dit « j'en ai assez

Donnez-moi un pass'-port

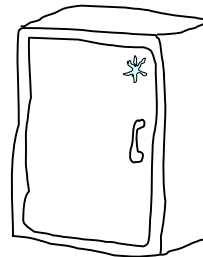

Et je m'en vais sous les cocotiers ».

2

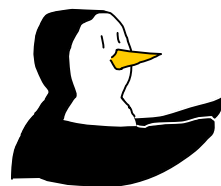

Je dois mettre un cache-nez

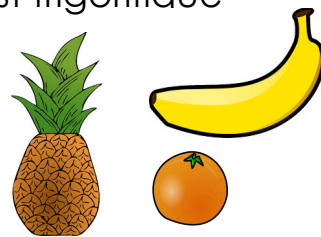

La chaleur est frigorifique

Je m'abîme la santé

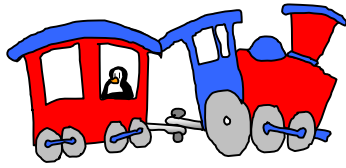

Et j'ai besoin de fruits exotiques

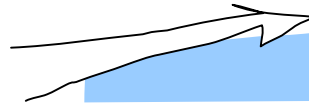

Le pingouin

Paroles et musique Marie Henchoz

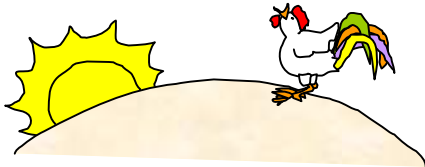

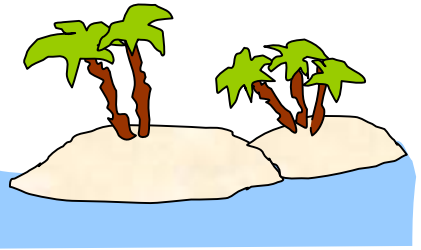

3

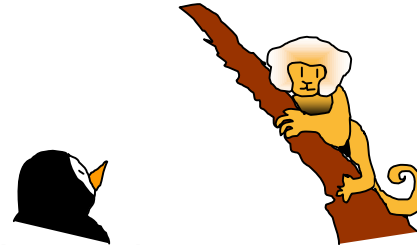

Le pingouin a pris le train

Direction les îles Hawaï

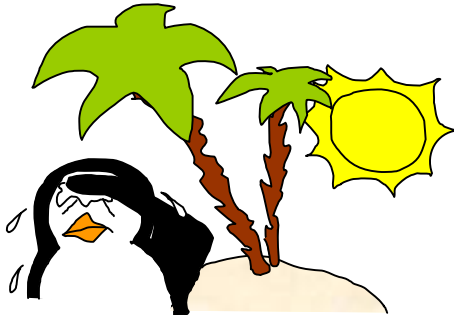

Et enfin, un matin

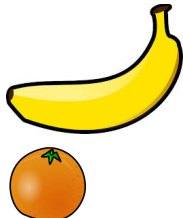

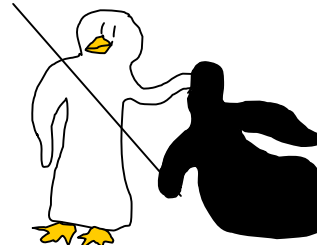

A débarqué chez les ouistitis

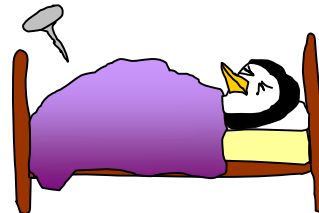

4

C'est bien chaud les tropiques Je ne peux ôter mon habit

Les fruits donnent la colique

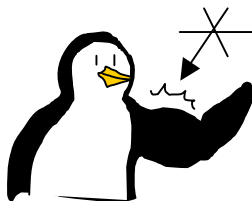

Me voilà cloué au fond du lit

Mon dieu je transpire

Je suis raplapla

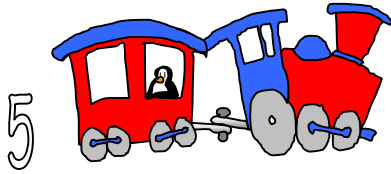

Je n'ai plus de force pour la lambada

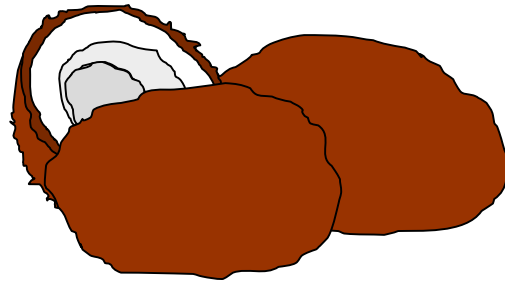

Le pingouin

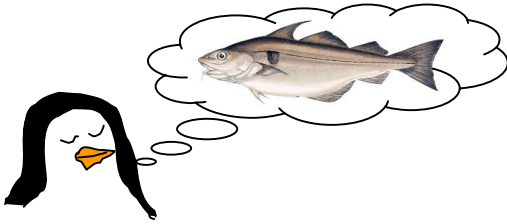

Paroles et musique Marie Henchoz

Le pingouin a repris le train

Et laissé les noix de coco

En rêvant d'aiglefin

Et tant pis pour le curaçao
